Society Profile

OUR MEMBERS. The International Parkinson and Movement Disorder Society (MDS) is an international professional society of clinicians, scientists and other healthcare professionals who are interested in Parkinson's disease, related neurodegenerative and neurodevelopmental disorders, hyperkinetic Movement Disorders and abnormalities in muscle tone and motor control. The spectrum of clinical disorders represented by MDS includes, but is not limited to: ataxia, chorea, dystonia, gait disorders, Huntington's disease, myoclonus, Parkinson's disease, restless leg syndrome, spasticity, tardive dyskinesia, tics and Tourette syndrome, and tremor.

In addition to more than 5,400 individual members, 26 national Movement Disorder societies collaborate with MDS as Affiliate Members.

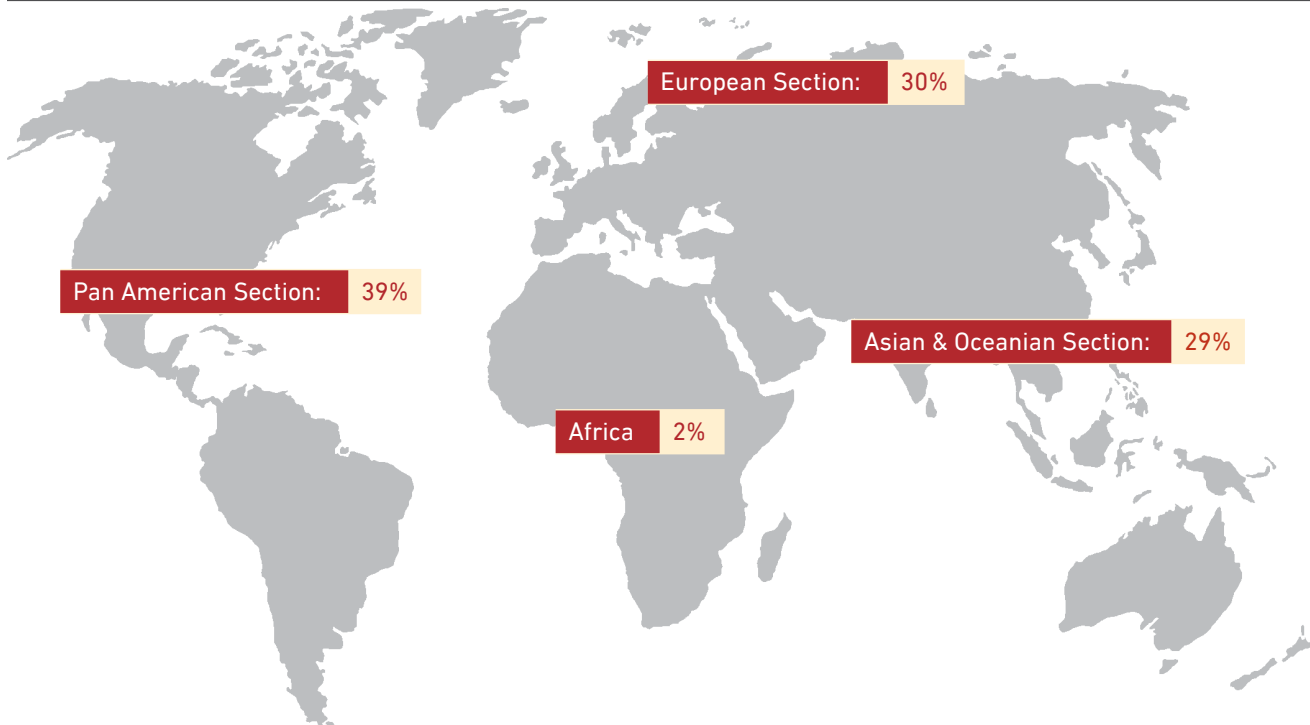

MISSION. The mission of MDS is to operate exclusively for scientific, scholarly and educational purposes; to encourage research; to provide forums, such as medical journals, scientific symposia and International Congresses, for sharing ideas and for advancing the related clinical and scientific disciplines; to encourage interest and participation in the activities of MDS among healthcare and allied professionals and scientists; to collaborate with other related professional and lay organizations; and to advance the neurological sciences pertaining to Movement Disorders.

HISTORY. MDS was founded in 1985 on the initiative of Professors Stanley Fahn and C. David Marsden, whose leadership and vision guided the expansion of clinical expertise and research in this field. It merged in 1992 with the International Medical Society for Motor Disturbances. Publication of the journal *Movement Disorders* began in 1986, and the first International Congress was held in 1990. In 2013, The *Movement Disorder Society* officially changed its name to the International Parkinson and Movement Disorder Society, in order to recognize the growing importance of Parkinson's disease care and research within the field of Movement Disorders.

ACTIVITIES. MDS produces two journals: *Movement Disorders* and the online journal *Movement Disorders – Clinical Practice*. The Society also manages 13 disease state rating scales validated in 10 languages and is in the process of validating scales in an additional 29 languages.

The MDS Continuing Education program serves more than 10,000 clinicians, other health professionals, researchers, and policy makers throughout the world each year. Content delivery modalities include live courses, enduring materials and Internet CME. The target audience for the Society's Continuing Medical Education program, both MDS members and non-members, who interact with patients living with Movement Disorders. MDS enhances patient care by advancing the science, medical knowledge and competence in the area of Movement Disorders.

MDS Members by Regional Section: 5,418 Members as of 12/31/14

20th International Congress of Parkinson's Disease and Movement Disorders Berlin, Germany – June 19-23, 2016

Venue: CityCube Berlin, Messedamm 22, 14055 Berlin, Germany

Purpose

The purpose of the MDS International Congress is to offer a forum for clinical and basic discussion on a variety of Movement Disorder topics, including presentations of current research and available treatments.

Scientific Program

The 2016 Scientific Program will incorporate Teaching Courses, Therapeutic Plenary Sessions, Plenary and Parallel Sessions, Skills Workshops, Video Sessions, Poster Sessions, Blue Ribbon Highlights and Guided Poster Tours.

The theme of the 20th International Congress is **The Many Faces of Movement Disorders: Evolving Disease Concepts**. This theme will be showcased throughout the Scientific Program.

Sessions will focus on the latest developments in:

- Movement Disorder topics, including, but not limited to, ataxia, chorea, dystonia, myoclonus, Parkinson's disease, restless leg syndrome, spasticity, stereotypies, tics and tremors
- Basic Science Issues, including, but not limited to, genetics, neuroimaging, neuropharmacology, surgical therapy and transplantation
- Other less common clinical conditions

Target Audience

The target audience includes clinicians, researchers, post-doctoral fellows, medical residents, medical students and other non-physician health professionals with an interest in the current research and approaches for the diagnosis and treatment of Movement Disorders.

Abstract Submissions

Participants will be invited to submit abstracts relevant to the various fields associated with Movement Disorders. Abstracts will be peer-reviewed and organized into poster sessions. Abstract Submission opens October 1, 2015.

General Information

- **VENUE:** The CityCube Berlin will serve as the headquarters for scientific sessions, posters and exhibition.
- **HOTEL:** A block of guest rooms has been secured at hotels throughout Berlin to accommodate International Congress participants. Hotel reservation information will be included in the 2016 Preliminary Program and on the International Congress website.
- **LANGUAGE:** The official language of the International Congress is English.
- **REGISTRATION:** International Congress registration information will be on the International Congress website. MDS members will be offered a reduced registration fee. Non-members of MDS will have the opportunity to become members through the registration process. Registration will open on December 1, 2015.
- **EXHIBITS:** Pharmaceutical and biotechnology companies, medical publishers, associations and patient service providers are invited to participate in the International Congress exhibition.

Promotional Opportunities

Satellite Symposium (Non-CME Bearing)

Cost: \$200,000 USD

Satellite Symposia (also called Corporate Therapeutic Symposia or CTS) offer a tremendous opportunity to provide education, demonstrate your company's commitment to quality patient care, and build your corporate brand. Each Symposium is one hour long and is open to all registered meeting delegates. No CME is given for the Satellite Symposia.

The room setup for the Satellite Symposium will include:

- A basic AV set-up, including LCD screen(s) appropriate to room size, LCD projector(s), LCD monitor, keyboard and mouse
- A head table set for five people with a podium and microphone for a panel discussion
- Floor microphones for a question/answer portion of the program
- Theater style seating
- A lavalier microphone at the podium for the speaker

The basic outline for the session (including session talk titles and speaker names) will be posted on the MDS website and in the International Congress Final Program.

SUPPORTER RECOGNITION:

- All items that appear on page 6 under Recognition
- Three complimentary full registrations which will include admission to all scientific sessions, the Exhibit Hall, the Poster Areas, the Welcome Ceremony, the MDS Video Challenge and a meeting bag and documentation.

Technology Product Theater Presentations

Technology Product Theater presentations offer the opportunity for companies to present 15-minute presentations in the Exhibit Hall on Technology Tuesday (June 21, 2015). The opportunity is limited to companies with products which use electronic technology to diagnose or monitor patients. Companies licensing their technology for clinical trials are specifically invited to participate.

Presentation Guidelines:

- Only companies exhibiting in the exhibit hall and whose products use electronic technology to diagnose or monitor patients are eligible to present a Product Theater.
- The sponsorship fee is \$10,000 USD for a 15 minute session. Companies are limited to one 15 minute session.
- MDS will provide an LCD monitor, podium, microphone and 75 chairs in a curtained-off section of the exhibit hall.

Exhibit Services

Official Service Contractor

An exhibitor service contractor will ensure orderly and efficient installation, as well as removal of the overall exhibition. The official contractor will provide and assure the distribution of labor to all exhibitors according to need, see that the proper type and limits of insurance are in force and avoid any conflict with facility regulations and requirements. The official contractor will staff and maintain an onsite service desk during the exhibition to serve as a focal point for exhibitor needs. Furniture, decorative signs, labor and other services will be available at the service desk.

Exhibitor Service Manual

All exhibitors will receive the official Exhibitor Service Manual by March 2016. The Service Manual will contain information on:

- Freight shipping and handling
- Labor regulations and rates
- Furniture, display and other decorating rentals
- Ordering electrical and telephone service
- Audiovisual and computer rentals
- Exhibit personnel registration
- Exhibitor promotional items approval
- Ordering attendee mailing lists

Requirements for Independent Contractors

Exhibiting companies who plan to use the services of a display house/service firm other than the designated service contractor must abide by the following rules:

- The exhibitor must notify the MDS International Secretariat in writing no less than 30 days prior to the International Congress of the names of the display house/service firm, address, telephone number and contact person.
- The display house/service firm must furnish a copy of an insurance certificate to the MDS International Secretariat in the amount of \$1,000,000.00 liability to include property damage. This certificate must be submitted no less than 30 days prior to the meeting. The certificate must indicate full coverage for installation days, show days and dismantling days.
- Upon arrival at the exhibition site, display house/service firm personnel must check in at the exhibitor registration area to receive work/labor badges which will allow them access to the exhibit area.
- Display house/service firms may not solicit business on the exhibit floor at any time.
- Display house/service firms must cooperate with the official designated contractors, especially by not interfering with the efficient use of an official contractor's workers.

Canvassing or distributing of advertising material by non-exhibiting, commercial companies is strictly prohibited. Exhibitor advertising will not be permitted outside of the exhibitor's assigned space. Limited signage advertising industry supported sessions and events must be approved and displayed by the MDS International Secretariat. Unauthorized signage will be removed.

Attendee Mailing List

Exhibitors may order an attendee mailing list in advance of the International Congress. The mailing list is for one-time rental use only and may not be duplicated. Under no circumstances may the list be copied, reproduced or duplicated in any form other than for the purpose of the specified mailing.

20th International Congress of Parkinson's Disease and Movement Disorders

Exhibit Regulations, *continued*

Audiovisual Equipment

Sound systems must be kept at a reasonable level, and may not interfere with other exhibitors.

Demonstrations

Exhibitor demonstrations should not interfere with normal traffic flow nor infringe on neighboring exhibits. No demonstrations will be permitted outside of the exhibitor's assigned space.

Facility Regulations

Exhibitors are required to abide by all facility regulations in the design, installation, operation and dismantlement of their exhibit stands. A complete description of electrical, fire, labor and property regulations will be listed in the Exhibitor Service Manual.

Food and Beverage Distribution

Exhibitors wishing to dispense or serve any food or beverage from assigned exhibit space must notify the CityCube Berlin. Further information will be provided in the Exhibitor Service Manual.

Hospitality Suites and Special Events

Company-sponsored special events must be approved by the MDS International Secretariat. MDS attendees, leadership and faculty members cannot be invited to an event that conflicts with MDS programs, including the Scientific Program, or other MDS Events. Please contact the MDS International Secretariat for more information.

Liability

The exhibitor shall be fully responsible to pay for any and all damages to property owned by the CityCube Berlin and its owners or managers, which result from any act or omission of the exhibitor. The exhibitor agrees to defend, indemnify and hold harmless, the International Parkinson and Movement Disorder Society, its owners, managers, officers or directors, agents, employees, and subsidiaries and affiliates, from any damages or charges resulting from the exhibitor's use of the property. The exhibitor's liability shall include all losses, costs, damages, or expenses arising from, out of, or by reason of any accident or bodily injury or other occurrences to any person or persons, including the exhibitor, its agents, employees and business invitees which arise from or out of the exhibitor's occupancy and use of the exhibition premises, the CityCube Berlin or any part thereof.

In addition, the exhibitor acknowledges that the International Parkinson and Movement Disorder Society, the CityCube Berlin, and all other service providers do not maintain insurance covering the exhibitor's property and that it is the sole responsibility of the exhibitor to obtain business interruption and property damage insurance covering such losses by the exhibitor.

Market Research

Surveys or market research of any kind is prohibited.

Meeting Space

Exhibiting and non-exhibiting companies may not schedule meetings or events during the official dates of the International Congress without the written consent of the MDS International Secretariat. Companies sponsoring the International Congress at the Platinum level may request meeting space for company-sponsored sales meetings and MDS-approved activities. Requests should be submitted in writing to the MDS International Secretariat, attention Meetings Manager.

No Smoking

Smoking in the Exhibit Hall, scientific sessions, foyers and all public space in the CityCube Berlin is prohibited.

Prizes and Lotteries

Prizes, sponsored contests and prize drawings will not be permitted.

Exhibit Regulations, *continued*

Products and Services

Only those products and services detailed on the exhibit space application form or in writing prior to the International Congress and approved by the MDS International Secretariat may be exhibited or advertised.

Promotional Items

A promotional item approval form will be distributed in the Exhibitor Service Manual and must be submitted to the MDS International Secretariat along with a sample, photo, or written description of each item. Distribution of descriptive product literature, notepads, pens and pencils is permitted and does not have to be approved. Other items may be distributed from the exhibitor's stand only with prior written approval. All items to be distributed must be useful to the attendees during the International Congress or in the professional activities of the booth visitor. Any exhibitor found distributing materials which have not been officially approved may be required to cease distribution immediately. For those companies who comply with the PhRMA or EFPIA Code, please refer to the Code with regards to promotional items.

Reduced Fee Exhibitors

MDS recognizes that companies may have varied levels of marketing resources. In order to ensure that a variety of products and services are presented to International Congress delegates, the following discounts are available:

- Start-up companies, those without a product currently on the market, may purchase an exhibit at one-third the published price.
- Companies with sales of less than \$10M annually, or with products marketed to allied health professions or patients, may purchase an exhibit at one-third the published price.

All reduced exhibits are sold on a space available basis and will not be confirmed until 120 days before the International Congress.

Relocation

The MDS International Secretariat reserves the right to relocate exhibitors. In the event that it is necessary to relocate an exhibitor after a specific space assignment has been made, the MDS International Secretariat will contact the exhibitor. Every effort will be made to reassign the exhibitor to similar space. In any instance of exhibit stand relocation, the exhibitor has the option to cancel and receive a full refund of all payments made.

Restriction of Exhibits

The MDS International Secretariat reserves the right to: (a) reject for any reason any exhibit application submitted for the MDS International Congress; (b) reject, prohibit, restrict or otherwise require modification of any exhibit for any reason; and (c) evict or bar any exhibitor whose exhibit, materials or conduct is determined to be objectionable for any reason. Violation of any regulations on the part of the exhibitor, their employees or agents shall annul the right to occupy space and such exhibitor will forfeit to the MDS International Secretariat all monies which may have been paid. Upon evidence of violation, the MDS International Secretariat may enter and take possession of the space occupied by the exhibitor, and may remove all persons and goods at the exhibitor's risk. The exhibitor shall pay all expenses and damages which the MDS International Secretariat may thereby incur.

Security

A professional security guard service will be provided throughout installation and dismantlement as well as after daily Exhibit Hall hours. Neither the security service, MDS, the exhibitor service contractor, nor the CityCube Berlin is responsible for any loss or damage to exhibitor property.

Selling from Exhibit Stand

Selling merchandise is prohibited at the 20th International Congress. Order forms may be distributed. The only exception to this is that book publishers may sell their publications.

Subletting Exhibit Space

Subletting exhibit space is not permitted. Sharing of exhibit space is not permitted unless it is within divisions of the same company.
