

# MDS International Congress 2025

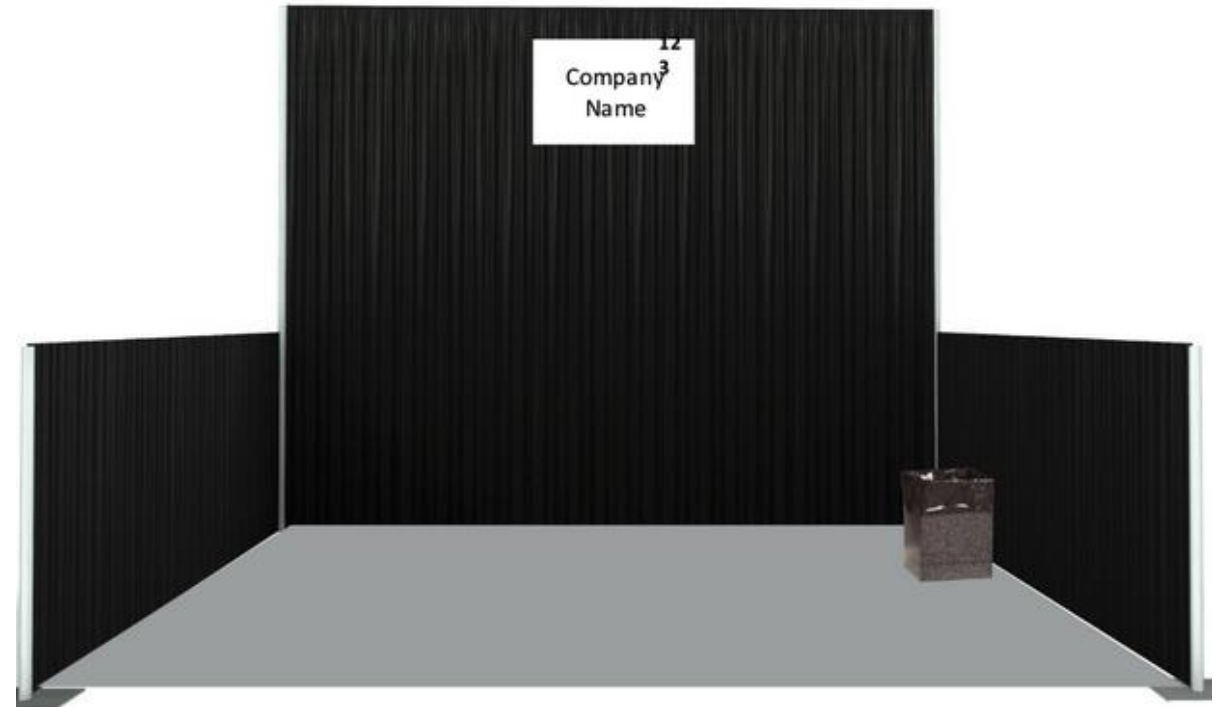

## Standard (shell scheme) Exhibit Set

### Each 10'x10' booth includes:

- 8' high black back drape and 3' high black side dividers
- One 5 amp outlet
- Grey carpet
- One wastebasket

Exhibits of 300 ft<sup>2</sup> or less receive a one-line identification sign; exhibits larger than 300 ft<sup>2</sup> may receive a sign upon request

Most of the aisles in the e-Poster and Exhibit Hall will not be carpeted. All booth flooring must be secured to the Hall floor with double-sided tape.

*Exhibitors may order items for their booths, including upgrades to flooring at your own cost, via FreemanOnline.*
